Syllabus of the course

Module 1 | Architecture of the Mind

Lesson A. Welcome

Lesson B. Consciousness

Lesson C. The brain

Lesson D. Stress

Lesson E. Códica

Module 2 | Emotional algorithms

Lesson 01. Trust

Lesson 02. Fear

Lesson 03. Surprise

Lesson 04. Sadness

Lesson 05. Rejection

Lesson 06. Anger

Lesson 07. Anticipation

Module 3 | Behavioral algorithms

Lesson 08. Love

Lesson 09. Will

Lesson 10. Courage

Lesson 11. Kindness

Lesson 12. Empathy

Lesson 13. Congruence

Lesson 14. Integrity

Module 4 | Intrapersonal algorithms

Lesson 15. Responsibility

Lesson 16. Maturity

Lesson 17. Uncertainty

Lesson 18. Suffering

Lesson 19. Loneliness

Lesson 20. Passenger

Lesson 21. Past

Module 5 | Códica digital protocols

Lesson F. Consultation protocol

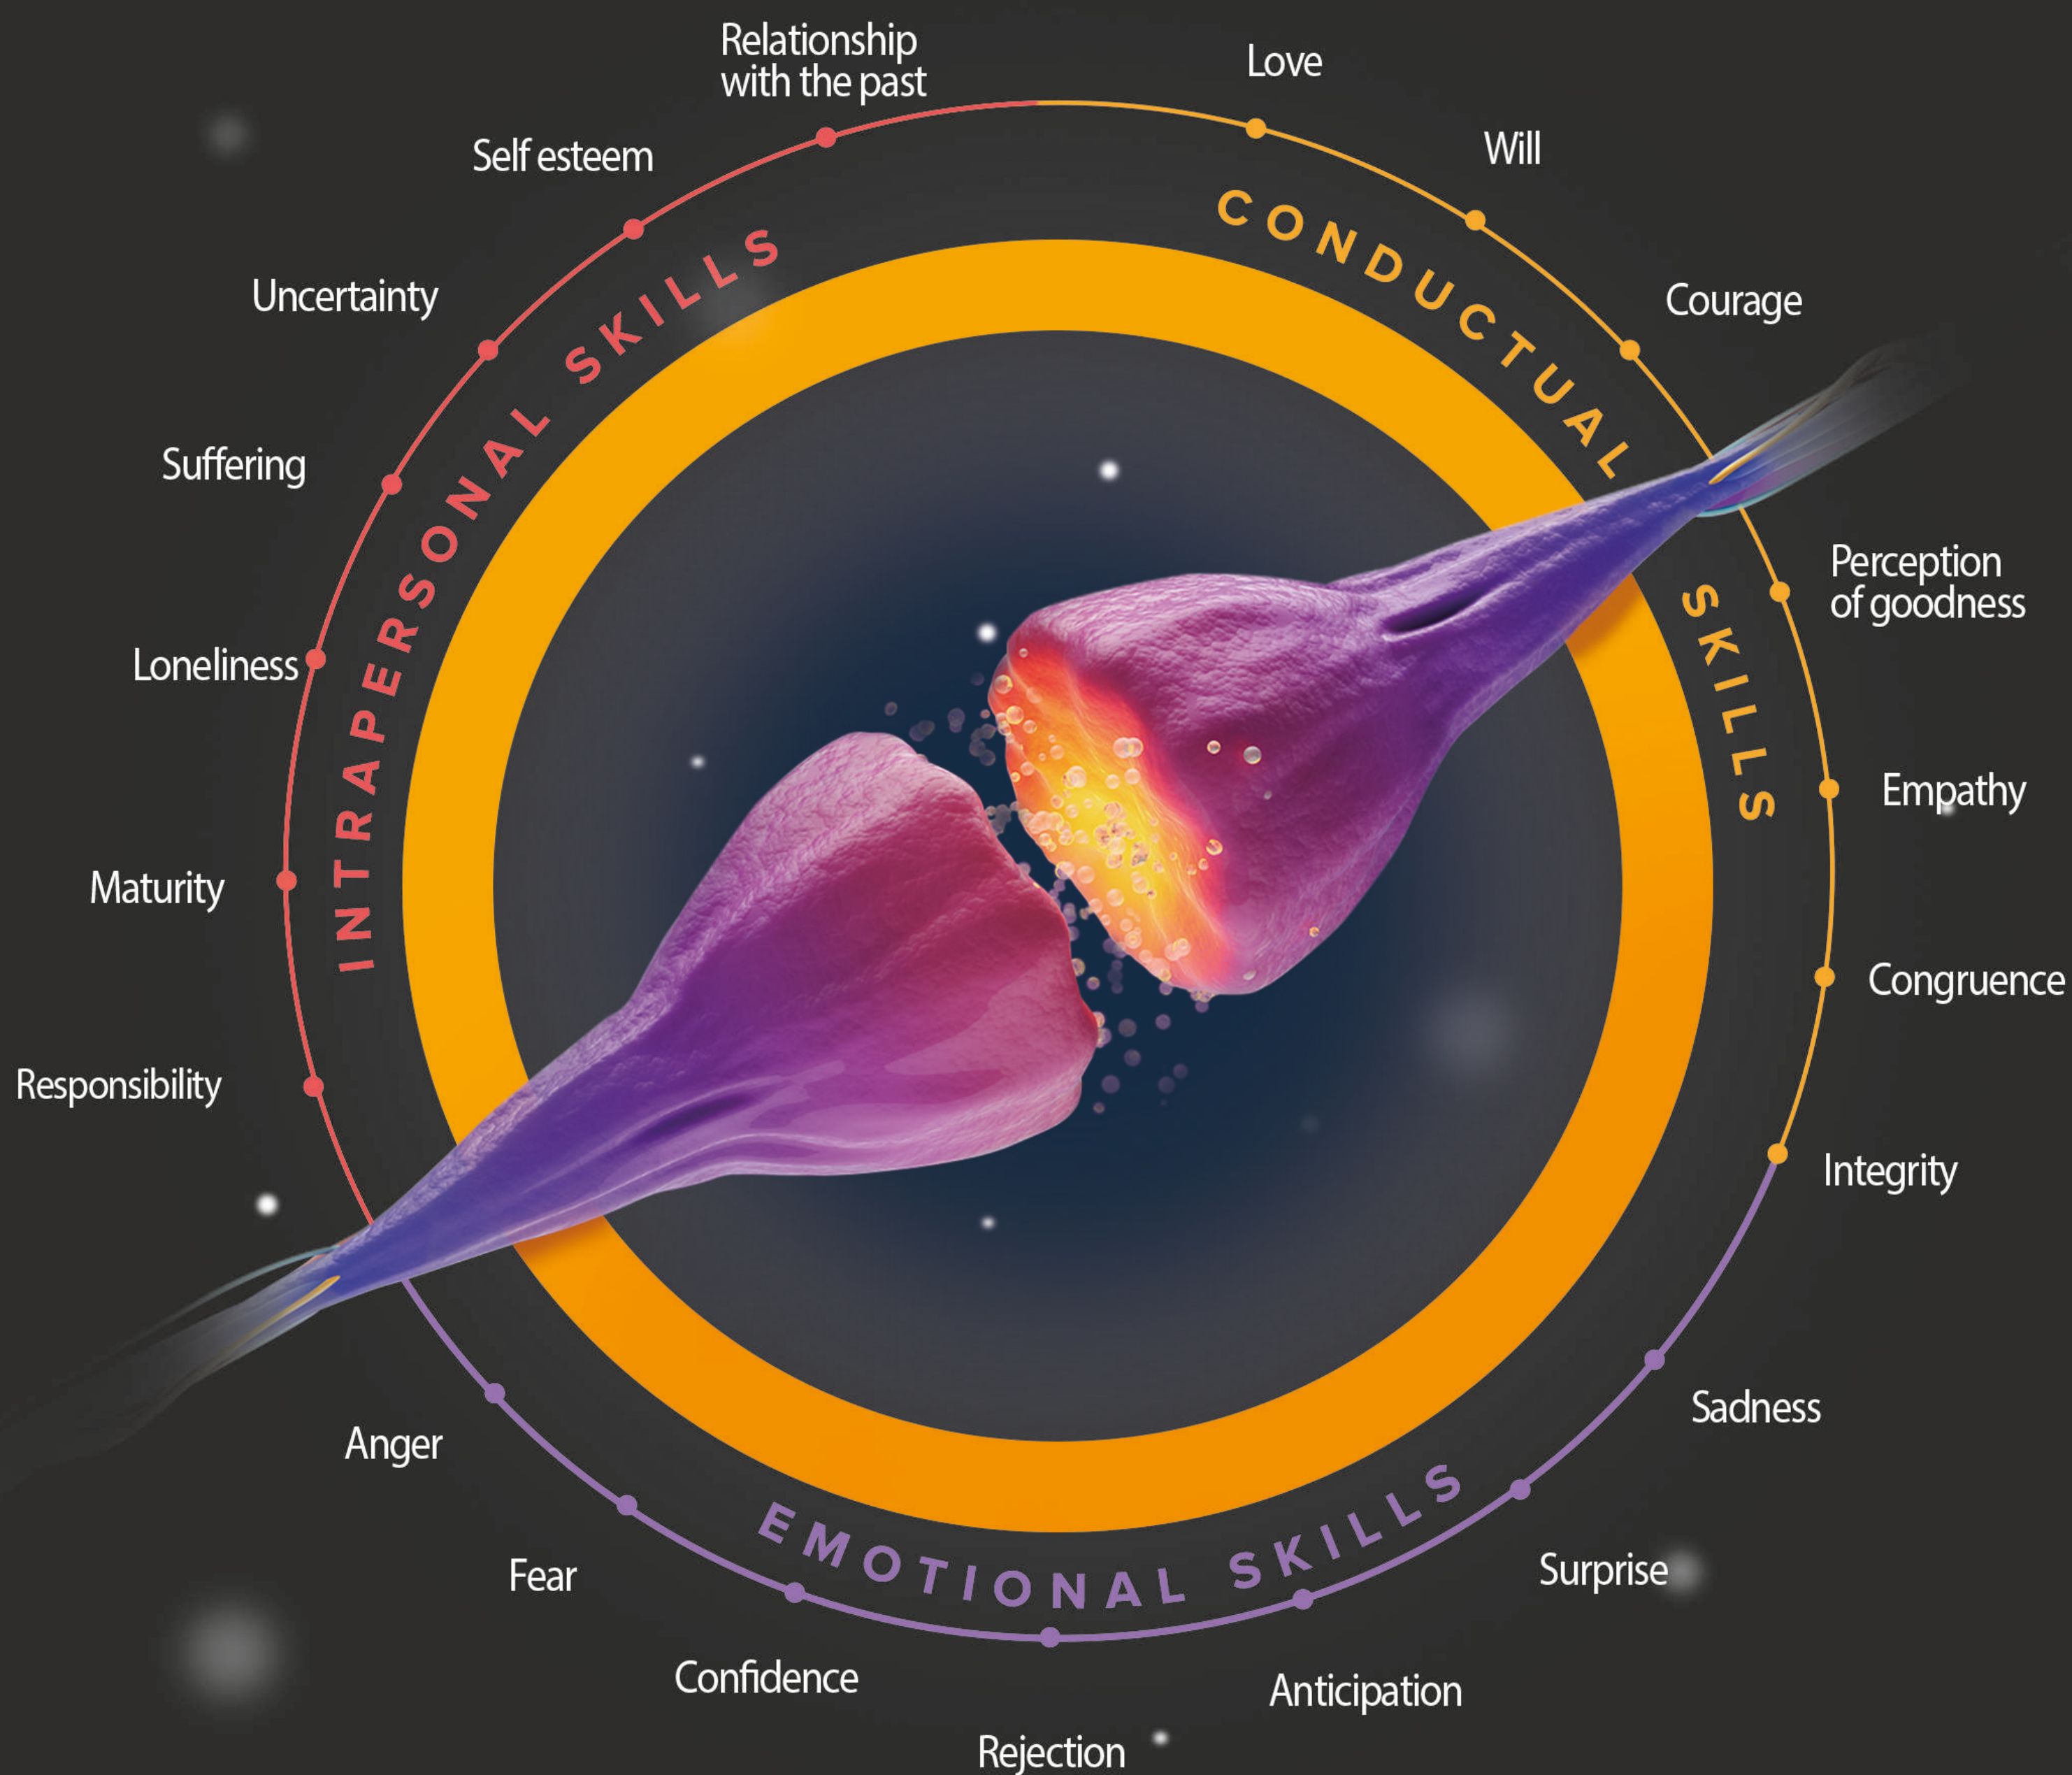

Lesson G. Diagnosis

Lesson H. RMO protocols

Lesson I. About Códica

02 The protocols of change

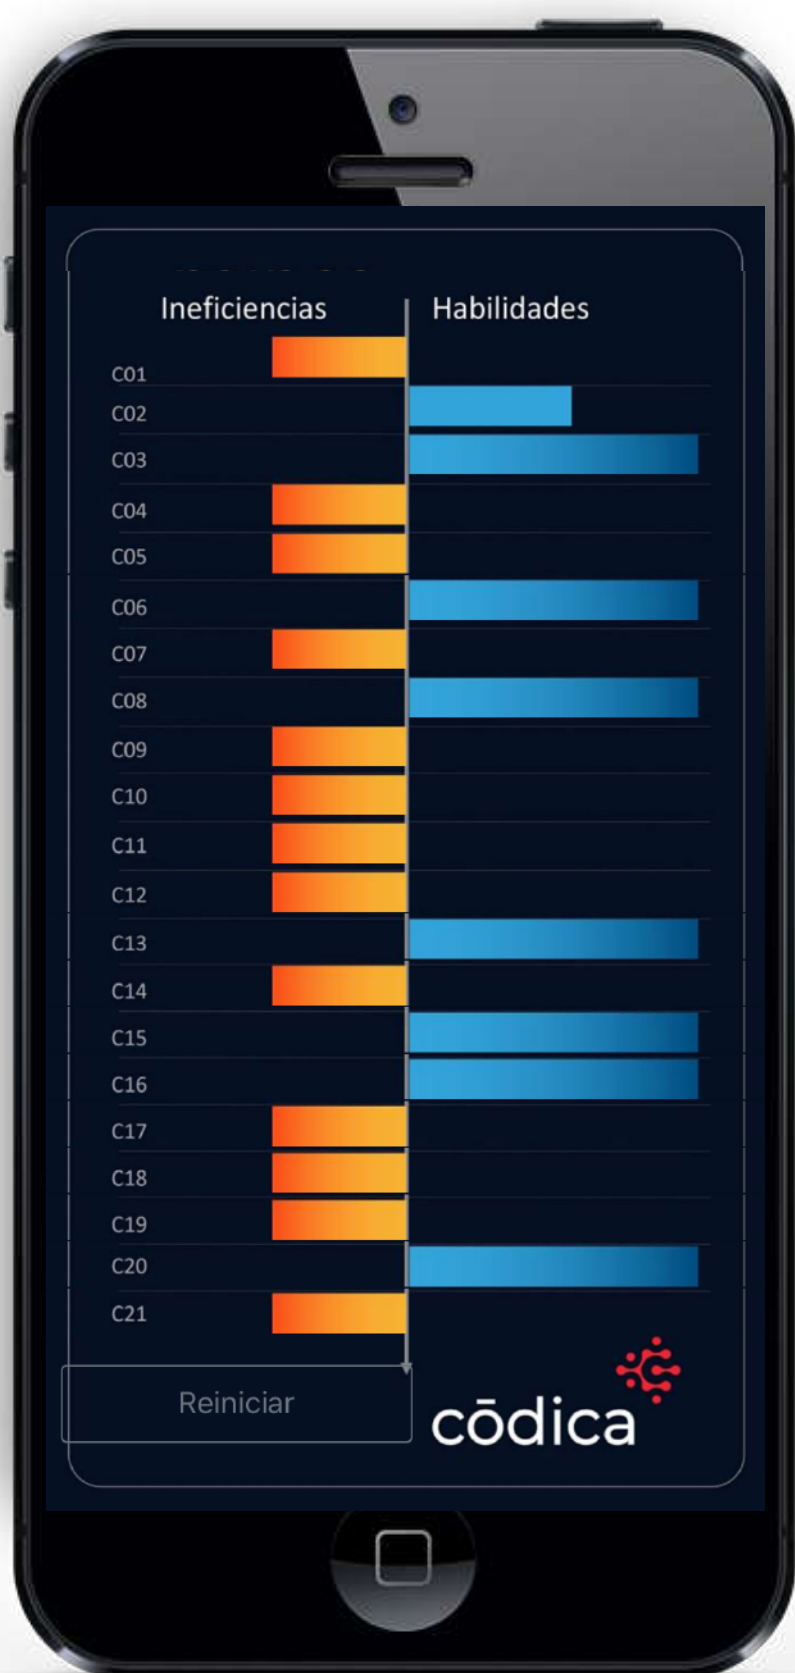

These are the change processes accessed with Códica.

If your mind is that good at working against you,
imagine it working for you.

03 A Códica consultant

- As a Códica consultant, your main area of opportunity is to support people to achieve the changes they need to improve their lives.
- With the teleconference mode you will be able to generate income from the comfort of your home with a professional and world-renowned method.

- With the Códica directory and digital platform, clients around the world will contact you to meet the growing demand for emotional support.
- You will become a factor of change for many of the most important needs of our society.

04 Included Material

- **Consultant's Manual.** It is a complete step-by-step guide to the methodology for conducting a Códica session.
- **Membership to the consultants directory.** The course includes a one-year subscription to the directory of Códica consultants*.
- **Access to the diagnostic platform.** You will have a user to make use of the platform to make a Códica diagnoses.*
- **RMO Protocols.** You will be allowed access to the tools to carry out the different reprogramming protocols.*

*Renovation is 30USD annually. This fee allow the continue maintenance of the platform and updates, hosting, licenses, etc. For memberships renovations and technical support contact info@moisesgoiz.com

Additional technologies

Bone Stimulation Headphones

They are a complement to the Códica sessions. They transform electrical signals into mechanical vibrations that conduct energy directly to the cerebral cortex, through the skull.

This device allows you to physically feel the stimulation while listening to the vibratory pulses and frequencies.

* You can purchase it additionally by consulting the availability, terms and conditions according to each country.

Who is your instructor?

Dr. H.C. Moisés Goiz

He is one of the **leading specialists** in the functioning of the mind, worldwide.

Dr. H. C. Moisés Goiz studied psychology, is a senior computer technician, and an architect.

He has provided courses at the PHILLIPUS Center in Spain, at the Cuautémoc University in Aguascalientes, Mexico, and at the School of Biomagnetism in Mexico, among others.

For more than 10 years, he has investigated the neurological behavior of thousands of people, has given sessions and trained expert consultants in Mexico, USA, Spain, Ireland, Brazil, Chile, Ecuador and other countries.

“ An engine for
the mental
management of
individuals. ”
